

ST MARY & ST PANCRAS CE PRIMARY SCHOOL

What is the PTA?

We are a group of teachers and parents who give our time on a voluntary basis to organise and run fundraising activities for the school community.

The PTA members also act as a point of contact for other parents and carers, who may wish to raise concerns or put forward ideas to help improve the school and its environment.

Our primary aim is to use the funds we raise to provide 'extras' for the school. On an annual basis, we provide the book bags for nursery and Reception children, pay the subscription to the children's paper 'First News', buy the crackers for the children's Christmas dinner and pay for the Year 6 children's leaving present.

In addition, the parents of the school vote for our yearly fundraising priorities and the school gives us a 'wish list' of items they feel would benefit the children. For example, last year we bought the outdoor table tennis table for the playground and set up a Foundation stage cooking club. We will shortly be setting the fundraising agenda for the coming academic year.
