15th July 2019

Dear Parent/Carer.

After a successful Summer term, facilitating a new Lego After School Club, we have decided to continue this for the next Autumn term, starting in September. Some of our current Year 1 to 3 children have already participated in the club and now this will be open to our new Year 1 children for September!

Miss Bembridge will be running the club with training and support from the company that runs this, called Kids With Bricks Ltd.

Please find attached a letter from Kids With Bricks Ltd, which provides details on how to book your place online with them. Registration will take place half-termly. We will update you on the next registration period nearer the time.

As there are only 20 spaces available and responses from our parents and carers has shown that there is more interest than places, we would advise you to book early to save disappointment.

We hope that this will continue to be an exciting and interesting new club for the children to engage in.

Elizabeth Daly

School Club Coordinator
