Assistant Headteacher: **Lesley Carneiro**

5<sup>th</sup> April 2019

Dear Parent and Carer,

Before we go into the Easter Break, I wanted to update you on the following:

### Safeguarding

A school's first priority is the safeguarding of children. This means protecting them from harm, ensuring that their emotional wellbeing is protected and nurtured and teaching them to make safe choices. Given recent events outside school and in the local area, we have had Paul Brown, a police officer based at Regents High, as a presence at school. Paul knows many children and families in the area and will be coming into school to do an assembly in the Summer term. The children already know PC Tracy who delivers workshops to our children throughout the year.

### Nursery

We are fortunate to have a wonderful Nursery and we are very proud of our provision. New parents who are looking for a Nursery place are always welcome to come and have a look round.

### Site Services Officer

We are delighted to welcome Darren Walker to our team as our Site Services Officer. Whilst in the temporary position previously, he has made a very significant impact on our school site, building a rack for the fruit, re-covering the Wendy House roof, building a workstation and keeping the playground immaculate. We are very grateful for the care and pride he takes in our school despite being here for such a short space of time. Please do say hello when you see him in school.

Cont'd

### Uniform

Please remember that children should wear full school uniform at all times. Weather permitting, and let's hope it does get warmer, summer uniform can be worn after Easter. Please do still send your child in with a coat as the weather can be unpredictable.

We have a rail and a box of unclaimed school uniform in the entrance to the school from the playground. Please do come in and have a look for any uniform your child has lost.

### Children's Health

Miss Carneiro has been leading on a piece of work, which will lead to us being awarded Healthy Schools Status before the end of the year.

Miss Sheehan has already enabled us to gain our Bronze STARS award and we are working towards Silver this year.

We will be planning further work around health, well-being and mental – health for next year.

Your engagement at our school events is fantastic; The Easter disco, Philosophy for Children workshop, EYFS and KSI coffee morning and Parent Gym, to name but a few events. If you have any suggestions or ideas of other things the school can do for you, please do let us know.

Enjoy Easter!

Jules Belton
