14th October 2019

Dear Parent/Carer.

Thank you to those who have already participated in the first half of the new Lego After School Club that we are facilitating this Autumn term.

Miss Bembridge has been running the club with training and support from Kids With Bricks Ltd. So far, the club has been a great success and the children participating have really enjoyed their time with Lego!

Spaces are now available for the second half of the Autumn term. Please find overleaf a letter from Kids With Bricks Ltd, which provides details of dates and how to book your place online with them.

As there are only 20 spaces available, we would advise you to book early to save disappointment.

We hope that this will continue to be an exciting and interesting new club for the children to engage in.

Elizabeth Daly
School Club Coordinator
