2nd September 2020

Dear Parents and Carers,

What a fantastic first day back for your children and a very special warm welcome to our new Reception children and new starters who joined us today. Our attendance was **91%** today which is a fantastic achievement by you all –well done! Just those last few children to return to reach our attendance target of **96%**.

There is a real buzz of excitement in school and the children are definitely happy to be back. As you could see this morning, the gates were very busy–apologies that we couldn't chat with you as we usually do but our priority is getting the children in to school quickly and safely.

We are now using two main entrances and have staggered start and finish times. To keep you as safe as possible, we have rethought the plan as to where you stand to deliver and collect your children.

We hope that the map attached helps ease the congestion on the pavement – let's give it a go from tomorrow. We will be out in the morning to help guide you as to where to stand.

Do check the class webpages on Friday evening where you can see weekly updates of the children's learning. It has genuinely been the best start we could have wished for and thanks to you again for preparing your children (and yourselves!) for the return to school,

With very best wishes,

Ms Jules Belton
Headteacher
