Monday 25th November 2019

Dear Parents/Carers,

We have renewed Mathletics for another year as part of the mathematics program at St Mary and St Pancras. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards for your child.

To use Mathletics at home they simply sign in with their school username and password using any compatible computer or mobile device. You can sign in through your device's browser at www.mathletics.com and find the 'sign in' button. It can also be used offline by downloading the Student App.

The extra Mathletics practice at home can make all the difference to your child's progress. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

Kind Regards,

Chris Dunning

Maths Lead
