students throughout
the year.

Keep on with the hard work
and thumbs up.
(My child feels safe at
school)

My child's progress is
amazing. She really
enjoys coming to school!

We asked parents/carers for their views on 3 areas. Here are some of the comments we received:

Improving communication:

- No improvements needed. I feel the school communicates efficiently.
- I would like to see the school set up online payments for school dinners, trips and after school clubs. I would like a parent app like other schools have.

Involving parents in school life:

- I would like to see my child during lessons.
- Possible Eid fair/party seeing that a high number of children attend the school.
- More events to raise money for school trips etc.

Feedback on the effectiveness of 'Stay on Green':

- Love it! Best programme introduced in ensuring fairness is promoted and awareness is created.
- I even incorporate it at home.
- The reward system is good but can cause some children anxieties in attempts to reach the highest target.

I am very happy and have already recommended the school to parents.

Thank you for your continued support.

From the TEAM at STMP
