# Daily Challenge

If you want a challenge, you can ask your child to write the following sentences.

Firstly ask your child what a sentence needs to have?

They should be able to tell you:

A capital letter at the beginning

Finger spaces between the words

A full stop at the end

Remind them to remember to use these when writing their sentence.

Ask your child to sound out and write the following sentences by themselves:

The manure smells bad.

She can cure all of you.

GREAT JOB!

You can use the following websites to practise your child's phonics. We are currently working in Phase 3, however Phase 2, 3 and 4 activities can all be used.
