25th March 2021

Dear Parents and Carers,

STMP School Office

Mrs Daly and Miss Crean have worked in our school office for a number of years and do an excellent job. They are the first point of contact for you all and deal with a number of enquiries every day from parents about a huge variety of things.

When children are poorly at school, it is they who make the call home. School is not a place for children who are ill and government guidance to schools is very clear - if a child has a temperature, they must go home and be tested for Covid. This is not us overreacting, as the school was told today - but it is us doing our job properly to protect everyone here.

We want your children in school but the pandemic is not over yet. So if you get a call that your child is sick, please do remember this.

Thank you for your continued support.

Jules Belton:
Headteacher.
