Dear Parents and Carers,

Happy new year to you all. 2021 will be better year!

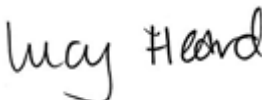

However, we begin the year with our school closed to all pupils from 4th January until 18th January 2021, except those deemed to be vulnerable (Ms Carneiro will be calling you personally) and those whose parents work in areas critical to the Covid-19 response; key workers.

In order for us to organise staffing, please email the school on admin@stmp.camden.sch.uk by **6pm Sunday 3rd January 2021**, to tell us if you require a key worker place for your child and on what grounds. We ask you to consider the safety of our staff at such a critical time and only request a place if your child cannot be safely cared for at home by a parent. We will follow up such requests for more information if necessary, before offering your child a place.

We will be writing again on Monday to tell you about our remote learning offer on Google Classrooms, as well as learning packs which can be collected on Tuesday for those parents who prefer paper-packs.

I hope that you and your families are all well at this difficult time. With your support, we will get through this tricky start to the school year and hopefully be able to reopen soon for all children.

Yours sincerely,

Jules Belton
Headteacher
