Friday 9th July 2021

Dear Parents/Carers

Relationships and Sex Education

We are writing to inform you that RSE teaching will take place during the week beginning 12th July 2021. As you are aware, the majority of this curriculum is now statutory and constitutes a valuable part of children's education, the content of which can be seen on the attached scheme of work for your reference.

Parents who participated in our consultation period earlier this year requested that this scheme of work be taught in a 'block', i.e. within one week rather than spread out across the year, and for the timing of this to be communicated with parents. They felt this would enable parents to be prepared for any questions they may be asked by their child following the lesson and would be the most effective way for the children to learn. We considered this to be invaluable feedback and wholeheartedly agreed that this was the most suitable approach.

The RSE teaching programme reflects the values of the school, is age-appropriate and based on **current** statutory requirements of the national curriculum as well as suggested good practice from Camden and from national guidance. Following our consultation, we made amendments to the suggested scheme of work and attach our final copy with this letter.

We would like to take this opportunity to again thank those of you who represented parents as part of the consultation process. Your views and suggestions were very helpful.

Yours sincerely,

Lucy Heard
Deputy Head
