

Review and tailor the contents of this generic risk assessment to meet your school's individual circumstances. IN YELLOW HIGHLIGHT

- Actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the 'What further action is necessary?' column.
- Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.

RISK ASSESSMENT FOR: Full School Reopening September 2020 during COVID 19 outbreak.

Schools should share the results of their risk assessment with their workforce. If possible, they should consider publishing it on their website to provide transparency of approach to parents, carers and pupils.

Risk assessment applies to mainstream schools, Special schools, special post-16 institutions and hospital schools:

Establishment: St Mary and St Pancras CE School	Assessment by: Ms Jules Belton	Date: 15.07.20
Risk assessment number/ref: RA-002	Headteacher Approval: 	Date: 15.07.20
	Chair of Governors Approval:	Date: 16 Jul 2020
This doc. to be read in conjunction with RA-001 as many procedures and protocols already in place.	All employers have a duty to consult employees on health and safety. Have staff been consulted in production of this risk assessment?	YES

What are the hazards?	Who may be harmed and how? (risk)	What are you already doing?	What further action is necessary?	Actions by whom?	Action by when?	Done
Risk to clinically vulnerable groups from COVID	Staff, pupils, contractors, visitors	<ul style="list-style-type: none"> • Government guidance on clinically vulnerable people to be followed. (link to schools Government Guidance referenced above). Pupils who have been classed as clinically extremely vulnerable due to pre-existing medical conditions have been advised to shield. All CEV at STMP children expected back in September. • Clinically extremely vulnerable individuals (including persons over the age of 70, those with serious underlying health conditions) which put them at very high risk of severe illness from coronavirus and have been advised by their clinician or through a letter should not work outside the home and must rigorously follow shielding measures in order to keep themselves safe. Read COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable for more advice. • Clinically vulnerable individuals who are at higher risk of severe illness (for example, those who are pregnant and people with some pre-existing conditions as set out in the Staying at home 	<p>Liaised with school nursing team to check status of .CEV children-confirmed all due to return.</p> <p>n/a</p> <p>N/a</p>	SENDCo		15.07.20

		<p>Enhance the cleaning regimes for toilet facilities, particularly door handles, locks and the toilet flush, etc.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used.</p> <p>School to obtain the risk assessment from contract cleaning staff for assurance on social distancing and their methods for cleaning the school site each day in particular to the cleaning required for door handles and taps etc.</p>				
<p>PREVENTION:</p> <p>Cleaning of Contact points Equipment use printers, workstations, apparatus, machinery etc</p>		<p>Parents to ensure children have their own water bottles in school to reduce contact with water fountains. Water fountains have been covered.</p> <p>Regularly clean and disinfect common contact surfaces in reception, office, access control etc. (screens, telephone handsets, desks</p> <p>Activities and resources</p> <ul style="list-style-type: none"> • Re-plan lessons / activities to avoid shared resources. • Further consideration to be given to the teaching of curriculum in practical subjects and how this can be amended to ensure minimum contact with equipment. Equipment to be properly cleaned after use. <p>All shared resources to be cleaned after use (including computers, PE equipment etc.). This must be built into end of lesson activity routines. PE curriculum has been re-written and shared with PE coaches (Kick London)</p> <p>Each class will have a playground bag of equipment – to be kept in the classroom.</p> <p>Schools to ensure anti-bacterial wipes are available in all IT rooms and teacher to ensure students wipe down after use. If student is too young then arrangements for IT support staff etc. to clean. AB wipes in all classrooms, offices and music room All instruments (brass / recorder) disinfected/flushed through 14.07.20.</p>	<p>HT letter and FAQ Doc. to parents</p> <p>Equipment to be kept class / hub based – reminder to with staff Sept 1st.</p>			<p>15.07.20</p> <p>Yes</p>

What are the hazards?	Who may be harmed and how? (risk)	What are you already doing?	What further action is necessary?	Actions by whom?	Action by when?	Done
		<p>Try to avoid working with paper/other materials that are shared in a way that may aid transmission, i.e. consideration to be given to marking work (done electronically), photocopying, etc.</p>	<p>Expectations re marking / side by side work with children to be shared Sept 1st</p>	HT		yes
<p>Managing cases of confirmed coronavirus in a setting</p> <p>Covid-19 Outbreaks on site</p>	<p>Staff, pupils, contractors, visitors</p>	<p>If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection', which sets out that they must self-isolate for at least 7 days and should arrange to have a test to see if they have coronavirus (COVID-19).</p> <ul style="list-style-type: none"> • Other members of their household (including any siblings) should self-isolate for 14 days from when the symptomatic person first had symptoms. • All staff and students who are attending an education or childcare setting will have access to a test if they display symptoms of coronavirus and are encouraged to get tested in this scenario. • If someone tests negative, they can return to their setting and the fellow household members can end their self-isolation. • if someone tests positive, they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. <p>This is because a cough or anosmia can last for several weeks once the infection has gone. The 7-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Other members of their household should continue self-isolating for the full 14 days</p> <ul style="list-style-type: none"> • Schools must take swift action when they become aware that someone who has attended has tested positive for coronavirus (COVID-19). Schools should contact the local health protection team. This team will also contact schools directly if they become aware that someone who has tested positive for coronavirus 	<p>Expectation via parents letter and FAQ Doc.</p> <p>PHE flow charts and family booklets</p> <p>School to adhere to PHE recommendations at all times re potential closure of 'bubbles' / hubs / school.</p>	HT		<p>July 2020</p> <p>Sept 2020</p> <p>"</p>

What are the hazards?	Who may be harmed and how? (risk)	What are you already doing?	What further action is necessary?	Actions by whom?	Action by when?	Done
		<p>(COVID-19) attended the school – as identified by NHS Test and Trace.</p> <ul style="list-style-type: none"> The health protection team will carry out a rapid risk assessment to confirm who has been in close contact with the person during the period that they were infectious, and ensure they are asked to self-isolate. The health protection team will work with schools in this situation to guide them through the actions they need to take. Based on the advice from the health protection team, schools must send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 14 days since they were last in close contact with that person when they were infectious. <p>Where settings are adhering to guidance to reduce risk of transmission, closure of the whole setting will not generally be necessary.</p>				
<p>Testing and contact tracing</p>	<p>Staff, Pupils, visitors, contactors</p>	<p>Schools must ensure they understand the NHS Test and Trace process and how to contact their local Public Health England health protection team.</p> <p>Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to:</p> <ul style="list-style-type: none"> book a test if they are displaying symptoms. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test & Trace self-isolate if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19) Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet. Essential workers, which includes anyone involved in education or childcare, have priority access to testing. 	<p>Presentation Sept 1st INSET Clarity with Admin staff to give consistent advice re parent queries.</p>	<p>HT HT / SBM</p>		<p>Sept 2020 and on-going "</p>
