Maths

Each week we will be focussing on speed tests and individual times tables in mental maths.

This week I would like you to complete your Speed test. Remember you have 10 minutes.

Times Tables

These will be tested on Friday.

If you can please could you allow the children to access this times table website.

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

It allows them to be timed with their times tables but you can also edit the options for the times tables they are doing by clicking the ad just difficulty.

This week, please revised the 6 times table at home.

Mathletics

You have been set tasks on Mathletics that will help you recap the work that we have covered so far this half-term.

The expectation is that you use Mathletics at least 2 times, for at least 30 minutes each time.

Topic

In topic this term, we have been looking at the different rainforests.

Our focus has primarily been on the Amazon.

For this week's homework, I would like for you to create an information guide telling visitors to the rainforest, what type of things they could encounter (Tree, plants, tribes and animals.)

The types of dangers that lie in the rainforest (Animals, deforestation, logging).

You can make your guide as bright and as colourful as you'd like, make sure you add for information about the Amazon.

You can watch the youtube video below to help you.
